

Time Travellers

This group is for People Living with Dementia joined by family members, friends or carers. Working alongside Tyne and Wear Archives and Museums Live Well Team, we access museums, galleries and collections to make local history come to life and to celebrate your memories of times past. The Live Well Team provide the opportunity to learn new things and experience the rich cultural vein that runs through the North East. The programme includes the chance to visit venues in the North East, learn new skills and to link with other groups.
