KEEPING WARM AND WELL THIS WINTER

Here are six handy tips to get yourself ready for winter.

Are You Entitled to Extra Money?

- Don't be tempted to leave your heating off, and put up with the cold to keep your bills down - there are benefits and discounts available to help you keep your home warm.
- If you'd like more information about the benefits you may be entitled to, our friendly team of advisors are here to help. You can give us a call on: **01670 784 800** or email: info.advice@ageuk-northumberland.org.uk.

Look After Your Health:

- Flu viruses are always changing; it is important to get a flu jab every year.
- Eat well. Not eating enough makes it harder to keep warm, and to fight infections.
- Order repeat prescriptions in plenty of time, you may want to ask if your pharmacy offers a prescription delivery service.
- Keep simple cold, flu and sore throat remedies at home, and be conscious and regularly wash your hands.

Keeping Yourself Warm:

- Wrap up with a shawl or blanket if you're sitting down. And if you struggle to stay warm in bed, wear warmer layers such as bed socks and thermal underwear, or even a hat.
- Use a hot water bottle or an electric blanket to warm the bed - never use them together.
- When you're out and about, make sure you keep your hands and face warm. Your blood pressure can rise if they are cold.

Prepare for Bad Weather:

- Stock on extra food in case you're unable to get out to the shops. You could do your food shopping online and have it delivered to your door.
- Know where your main stopcock is - water pipes can freeze or burst when it's cold.
- It's always handy to have a mixture of salt and sand to put on your steps or path if it is icy.

Keep Your Home Warm:

- Get to know the timer and thermostat on your heating system. If it's very cold, set the timer for the heating to come on a bit earlier than you need it.
- Keep the rooms you spend the most time in warm.
- Be safe when heating your home. Make sure you have a carbon monoxide alarm in each room with a gas or solid fuel burning appliance in it.
 - Test your carbon monoxide alarms regularly.

Keep Moving:

- Keep moving - do a short walk in the middle of the day, or indoor exercises.
- If walking is difficult, you can do chair-based exercises while sitting or holding on to the back of a chair. Even moving your arms and legs and wiggling your toes can help you keep warm and well.

WINTER WARMERS

Sausage Pasta Bake

If you want a tasty and simple meal, enjoy this hearty Sausage Pasta Bake recipe.

Ingredients

- 400g pasta (Rigatoni, or any other dried pasta shapes)
- 1 red onion (chopped, brown onion works just as well)
- 1 red pepper (chopped)
- 1 packet sausages (6-8)
- 150g fresh tomatoes (halved)
- 2-3 garlic cloves (finely chopped)
- 1 tbsp tomato puree
- 1 tsp dried oregano
- 1 tsp chilli flakes
- 1 tsp dried Italian herbs
- Salt and pepper
- 800g tinned chopped tomatoes
- Grated cheddar cheese
- Stale breadcrumbs

Recipe will make 4 servings.

Step 1

Preheat your oven to 200 degrees (180 fan) and have a large baking dish to hand. Begin by cooking the pasta. Make sure you cook it al-dente, two minutes less than the packet timings, to ensure it doesn't become too soft and turn to mush. Once cooked, leave to one side.

Step 2

In a frying pan, fry the onion and red pepper until softened.

Step 3

Chop up the sausages and add to the pan, frying them until cooked (you don't need to remove the skins beforehand, but you can if you wish).

Step 4

Add the chopped fresh tomatoes and cook until they are very slightly softened.

Step 5

Next, add the garlic, oregano, chilli flakes, Italian herbs and tomato puree. Season with salt and pepper.

Step 6

Add the tinned chopped tomatoes and stir until well incorporated into the rest.

Step 7

Pour in the cooked pasta and slowly stir (you may not need all the pasta, depending on the size of the pan and how much you want to include).

Step 8

Tip everything into the baking dish, and top with the cheese and breadcrumbs, bake for 25-30 minutes until golden. Serve with salad, and crusty garlic bread.

HANDY TIP!

This freezes really well if you have some left over. It can freeze for 3 months, and to reheat it, cover with foil and bake at 170 fan for 30 minutes.

SIX SCAMS TO WATCH OUT FOR THIS WINTER

Winter Fuel Payment Texts

Text messages have been circulating inviting older people to apply for their Winter Fuel Payment. If you are eligible, you don't need to apply - these payments are made automatically. The Government will never ask you for your bank details by text.

Online Shopping Fraud

Stay alert of cyber scams during the festive shopping season. Check if the online shop is legitimate, and read reviews on trusted websites before you buy. Scammers may manipulate people by, for example, claiming offers are only available for a limited time.

Suspicious Texts and Emails

You may receive increasing numbers of texts and emails - this could be an email asking you to "verify" your bank details, or a text stating you need to pay for a parcel re-delivery. Do not reply, and forward any scam text messages to 7726 which is free of charge.

Parcel Delivery Scams

Keep an eye out for 'missed parcel' text messages, particularly with the increase in deliveries. Don't click on any links, and if you're expecting a parcel, check out the official website of the delivery company.

Charity Fraud

In the lead-up to Christmas, fraudsters may take advantage of generosity when it comes to donating to charity. Pause and check before donating, and don't respond to any messages or calls that ask you for your personal information.

QR Code Fraud

Fraudsters are increasingly exploiting QR codes to direct people to malicious websites. In the run up to Christmas, while shopping or socialising, QR codes in public spaces (stations or car parks) may be risky. If in doubt, do not scan them.

What can you do to protect yourself from fraudsters?

Protect Your Online Accounts

Use different passwords for your online accounts, and create strong passwords with random words.

Do Your Research

Do a thorough check online about the authenticity of a company or organisation.

Be Cautious About Sending Money

Avoid paying via bank transfer, and don't be pressurised into transferring large sums of money.

Be Wary of Suspicious Messages

Always check how authentic deals or prices are on items advertised before making a purchase.

Our Scams Awareness Team can provide you with free one-to-one support, or group talks, if you need advice or help regarding scams.

WINTER WARMERS

Shortbread

With just three simple ingredients, have a go at making this delicious shortbread and enjoy with a hot cup of tea!

Ingredients

- 125g unsalted butter, softened
- 55g caster sugar, plus extra to finish
- 180g plain flour

Recipe makes 16-20 shortbreads.

Step 1

Preheat the oven to 190 degrees (170 fan, gas mark 5).

Step 2

Beat the butter and sugar together in a bowl until smooth. (You can do this in a food processor if your butter is a bit cold).

Step 3

Stir in the flour until thoroughly combined. (If you are using a food processor, you can add the flour in this way). Turn onto a clean work surface and knead the dough just enough to bring the mixture together into a smooth ball of dough.

Step 4

Use a rolling pin to gently roll out until the dough is 1cm (half an inch thick).

Step 5

Cut into shortbread rounds or fingers, and place onto a baking tray lined with baking paper. Sprinkle with caster sugar and chill in the fridge for 20 minutes.

Step 6

Bake in the oven for 15-20 minutes, or until pale golden-brown. Set aside to cool on a wire rack.

HANDY TIP!

When adding the flour, don't overwork the dough and only mix as much as is needed. The dough should be quite crumbly.

Christmas Rules and Promises

by Roy E. Peterson

My first rule for this Christmas is
No carrot sticks for me.
They might have been a snowman's nose,
So I will let them be.

My second rule this Christmas is
Your gift I will remember;
So if it turns out kind of cheesy,
I'll match it next December.

My third rule for this Christmas is
Don't change the songs I play.
When you are in my house you must
Endure them for the day.

I'll gift-wrap empty boxes nice,
Then give a warning dire.
If you won't listen, or obey,
I'll throw one in the fire.

And if you breathe a bad word to
My Christmas company,
I'll douse your head with eggnog,
Throw you through the Christmas tree.

Politely say "Thank you" for every
Photo, gift, or box,
Even if it's handkerchiefs
Or just a pair of socks.

You'll wish to all a "Merry Christmas,"
When meeting them this yule.
That is my final Christmas wish,
And final Christmas rule.

Make a Christmas Verb

by Mark F. Stone

For many, the gifts are the be-all and end-all:
the big screen, the tablet, the Barbie and Ken doll.
For me, gifts I get are like ice in the sun.
I cannot recall them. No, not even one.

How did I find a true way to remember
the import of each twenty-fifth of December?
The quest to acquire is an urge one can curb.
The lesson I learned was: make Christmas a verb.

Knock on the door of your neighbours who deal
with ageing and loneliness. Bring them a meal.
If you have means and you live in fine fettle,
drop off some greens in that little red kettle.

Visit our vets who are hurt and express
your thanks for their service as they convalesce.
Deliver to others a luminous glow.
The gifts you will cherish are those you bestow.
