Feedback

“I would like to thank you for your kindness to me. I am a lot better off with your help.”

“This is a valuable and much needed service which has made a big impact on my life. Long may it continue”.

“I can honestly say that my advisor was very good, took the time to listen to my needs and I would definitely say she helped me on keeping my benefit again. Thank you very much and I would recommend Age UK to help others with their needs.”
