A History of Our Communities,
Told by Our Communities

Through immersive storytelling using photos, press clippings, audio recordings, and firsthand accounts, we're creating an exhibition that celebrates real lives and the social history of Norwich. We're working closely with local historical and archaeological societies to share authentic narratives of growing up, living, and ageing in our fine city.

A Charity That's Beaten the Odds

Local Stories, National Voices

**An Incredible Installation, Created
by Talented Designers**

**Opportunity to reach thousands of
potential clients**

Your chance to...

- Be involved in local and national press for the event
- Take part in a programme of national expert speakers on later life
- Align your brand with a beloved and trusted local institution
- Reach multi-generational audiences through an uplifting, meaningful event
- Be part of Norwich history
- Celebrate ageing in a positive, creative, and community-led way

Our Sponsors include:
