AFTERCARE AND REPAIR CENTRE

**"We understand that a sale is just the beginning of a relationship with our customers, which is why we are committed to providing the highest level of support and care throughout your entire experience. Our knowledgeable and friendly team is always available to address any concerns, offer advice, and provide repair or replacement services as needed. Don't settle for anything less than exceptional aftercare service."**

**Best Mobility Shop in Notts -fantastic service, Best Mobility Outlet in Notts**

I recently purchased a new power chair from Advantage Mobility - warm, friendly and professional staff, expert advice, they were truly impartial, wanting to make sure I was fully assessed and then matched to the right product for me. No pressure selling, completely ethical approach - and all of their profits are donated to the local charity Age UK Netts to help local older people - how good is that!! With some a well-known, trusted brand like Age UK backing them they must be the mobility shop to choose - I travelled across the city to visit them - well worth the effort - two local shops were no where near as good as these guys. There was plenty of free car parking space, including blue badge bays - plus close to the tram, bus and railway station - very easy to get to. I can't speak more highly of this outlet, whatever your need they will do their best to help.
