5-YEAR ANNIVERSARY CONGRATULATIONS

Congratulations goes to Keith who reached his 5-year volunteering milestone during November.

Keith is one of our Wellbeing at Home volunteers and started volunteering for Age UK Notts during the COVID-19 pandemic.

As a key worker, he was fortunate to continue going into his workplace at the prison service, but he also worked from home one day a week, and this is when he made himself available to help with shopping tasks for us.

He tells us that his decision to volunteer was straightforward. As he was able to go to work during COVID, he thought about those who were less fortunate individuals at risk from Covid that prevented them leaving their homes.

He genuinely enjoys helping with shopping and makes him feel like he is doing something meaningful for those who cannot do it themselves. Just dropping off shopping and having a quick face-to-face chat made him realise that this could be their only interaction with the outside world, and did this whenever he could. He got to know the people he assisted and their personalities, which he found really rewarding. He has nothing but positive experiences to share about volunteering, and he will continue to do this for as long as it is needed.

We are incredibly grateful Keith, thank you.

Do you want to help older people and give something back?

People of all ages and all walks of life volunteer for Age UK Nottingham & Nottinghamshire - and we couldn't do our vital work without them!

The HMRC App can help you to get organised

How to download the HMRC app and sign up for an account

1. Download the free [HMRC app](#) from the Apple App or Google Play store.
2. Follow the instructions on screen to complete set up – users will be asked to sign in. If you don't already have an ID and password, this can be created on the same sign-in page.
3. Once this is all set up, users can opt for face or fingerprint recognition, so you don't even need to remember a password for future logins. Plus, there's no need to call HMRC as the information you should need is available at their fingertips.

Whether you are starting your first job or getting ready for retirement, downloading the app is the quickest and easiest way to:

1 Claim a tax refund if you're owed one.

2 Find and save their National Insurance number (NINO).

3 Prepare and plan for retirement with the State Pension tool.

Dear Christmas Friend 2025

Our fabulous annual Christmas Campaign is live! – get your pens, paints, cards and stamps ready because our 8 participating venues can't wait to hear from you!

Dear Christmas Friend is a great way to spread some Christmas cheer to people in hospitals and care homes during the festive season. There are people in each of the locations who may not get many visitors and we'd like to remind them that they are part of our community and they are not forgotten.

We're so pleased to be able to bring back this lovely opportunity to add a little cheer to the life of an older person spending Christmas in their care home or in hospital.

There are some very simple rules to follow so everyone can enjoy the experience:

DO:

- Get the younger generation involved. If you have children or grandchildren, encourage them to make a card, write a letter or do some drawings
- If writing a letter, share general information about yourself, such as your job, hobbies, seasonal anecdotes, Christmas traditions or your favourite things about winter
- If sending a card, remember that not everybody is religious or of the same religion, so choose or draw designs that are suitable for everyone
- Offer some reminiscence opportunities. You could mention favourite places or childhood memories, for example
- Postcards with pictures of gardens, animals, pets, art works, or coastal views can all help to stimulate conversations and memories
- Ask questions to encourage the patient to think about their own lives, for example, 'Christmas Pudding is my favourite part of the meal. What's your favourite?'
- Sign your card or letter with your first name only

DON'T:

- Don't stick anything onto your card. Glitter, sequins, twigs and cotton wool might fall off and make a patient uncomfortable or create extra work for the cleaning staff. Letters, paints, felt-tips, wax crayons or pencils only, please
- Don't add any details that will identify you specifically such as your address, date of birth or age
- Don't be political or share conspiracy theories
- We have so many different venues for you to choose from and we recommend sending your card, letter or drawing (or maybe all 3!) from late November onwards.

INTRODUCING..

Hi

LAURA MCKEOWN

SIGNPOSTER/ SERVICES ADMIN (FIRST LINK)

My time at Age UK Notts started in 2022, when I had taken a short break from working full time for a housing association, and was looking for something more meaningful and a better work/life balance. I joined the Digital Inclusion project part time, which was a great project helping older people improve their digital skills, and feel less digitally excluded. As that project was coming to an end I moved to the Information & Signposting team (now First Link). It's been brilliant being part of the expanding team. I have never worked in a team with such good team spirit. What sets Age UK Notts apart from anywhere else I have worked, is that every colleague I meet has the client at the heart of what they do, and there are so many unsung heroes in the organisation, busy working away, all to help the clients.

I've decorated lots of birthday cakes & wedding cakes for family, friends and work colleagues over the years (shown in the pics, including my sister's wedding cake). I find it satisfying and stressful in equal measure!

I dress up as an elf every Christmas Day (this habit started before my little niece & nephew came along, so there is no explanation!!)

I'm happiest outdoors in nature, and am a great advocate for having a walk before and after work.

RANDOM FACTS

As well as working part-time in the First Link ✨ team, I work part-time as a self employed cleaner – all of my clients are older people – it's such a rewarding job and lovely getting to know my clients (they teach me so much!!), chatting to them, and helping them with the everyday tasks I used to take for granted. They really appreciate the help in getting the little jobs done, and keeping their homes clean and tidy. ✨

I recently completed a gardening qualification, and love growing cut flowers (particularly dahlias) and really hope to have an allotment one day.

After deliberating for years, I got a dog in 2024, a cockapoo called Misty, she's cheeky and challenges me everyday (!) but is the perfect companion, we've been to Northumberland & the Lake District recently, & have a long list of places to visit!

Misty
