www.ageuknotts.org.uk

Do you want to?

- Stay in touch with loved ones
- Shop from the comfort of your own home
- Access the services you need quickly and easily

What is it about?

The Digital Inclusion programme is designed to give service users with no to low-level digital skills the ability and motivation to get online and to improve their digital skills.

The programme will be delivered through our Digital Champion volunteers, who will deliver one to one and group sessions to the programme's service users. Each service user will have in place a person-centred plan to identify what digital skills they wish to learn and improve on.

Who is it for?

The service can support individuals aged 50 and over and live within Nottingham and Nottinghamshire

How to access it?

Call or email us and we'll connect you with your local Digital Champion

What extra support do we offer?

If you do not own a device or have an outdated device, we can provide you with a tablet computer with internet connection on a 6-8 week free loan basis

Contact us:

For more information or to access this service, please contact our Digital Inclusion service on:

Our vision is for a world in which older people flourish

Every year we help over 45,000 people

We're local and independent - here to help people in Nottingham & Nottinghamshire

Can you help us make a difference?

Yes! Whether it is by volunteering, fundraising, or telling your friends and neighbours about our services, you can help us reach more local people in need.

Get in touch with us today! Check out our website for more information and to sign up to our monthly email newsletter.
