Did you know?

Age UK Notts has supported our local community for over 80 years. We are an independent, local charity who share the national Age UK brand. Nottinghamshire's older population is 4.5% higher than the national average, and growing. We support over 40,000 local people every year. Much of this incredible impact is made possible by the kindness and generosity of our donors. All funds raised in Nottinghamshire help people in Nottinghamshire.
