Donations and legacies make our vital work possible

It's never easy to talk about money but the truth is that donations and legacies make a huge difference to our work. They make it possible for us to provide a whole range of services that make a real difference to people – from helping to support befriending visits for those who have few friends to rely on, to advice and information to make sure older people can claim their benefits entitlements, and so much more. A little bit of help goes a long way and you can make that possible.

We are a local Nottinghamshire charity which has provided services for almost 80 years and we aim to be here for the next generation of older people. Your donation or legacy will help make that happen.

How to make a donation: You can use the form opposite to send us a donation, sending a cheque or postal order. You can also telephone us on 0800 844 0011 and make a donation using your debit card.

Leaving a legacy: A legacy in your will can be a great way to support charities that you know but it's always advisable to have your will drawn up by a specialist to ensure you get proper advice about your estate. We can help you find a solicitor through our Will Writing Service (if that is useful). Please ask the person making your will to use the following details:

Our name: Age UK Nottingham & Nottinghamshire

Our charity number: 1067881

Your solicitor will contact us at the appropriate time to notify us of the legacy.

Thank you!
