Safe & Sound

Our trained team of specialists help older people in the City and County to stay warm and safe at home through a range of services specifically designed to enable older people to live independently at home.

What do we offer?

- Free home visits to carry out a home energy check, providing tailored energy advice enabling you to use energy more efficiently without compromising on warmth and with the added benefit of free energy saving products.
- We are an accredited Home Improvement Agency offering remedial advice and project management of home repairs for example for new, energy efficient heating systems or support with eradicating damp and mould, roof repairs or upgrading old electrics.
- Subject to eligibility, we can access financial assistance for essential housing repairs including boiler repairs and replacements.
- A short term heater loans service for people with broken or faulty heating, loaning oil-filled radiators, enabling the home to stay warm whilst the heating is restored.
- In Broxtowe we offer the Warm Homes on Prescription service, completing home surveys and providing access to free heating measures like new A-rated boilers and radiators for people with broken or faulty heating systems (subject to eligibility)
- Scams Awareness advice- we can support those wishing to know more about how to identify and protect themselves from scammers, those who have had near misses or those who have unfortunately, been scammed.
- Information on the Priority Services Register and how to sign up.
