# Together We Walk

Our walking groups promote better health and wellbeing through regular exercise and the chance to build strong social connections within our beautiful city and county. Whether you are here for fitness, friendship or fresh air, you'll be part of a supportive and inclusive group.

Here's what some of our walkers have said about the benefits they feel:

“

*Walking with this group has improved my health and given me new friends.*

”

*I feel more connected to nature and less stressed after every walk.*

”

*I did not speak to anyone for 6 days until I came on the walk, I don't know what I would do if I did not have it to look forward to*

## Our walks

We're currently offering gentle walks in Sneinton, the Arboretum and Highfields and we're adding new walks all the time. You can find out more about the walks (what you'll see, the terrain etc) on our website.
