

If you are aged 50+ and would like to be warmer and wiser about energy, we are here to help.

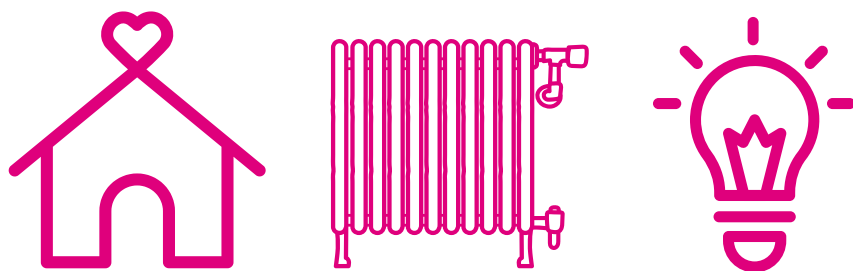

What we can do:

- Fit FREE energy saving measures such as draught excluders, timers and LED light bulbs*
- Advice on how to reduce your energy usage & bills
- Advice you on how much to maintain a healthy temperature at home
- Maximise your income through benefit checks
- Provide energy saving tips, information & signposting.

Support is available through home visits or via telephone.

*subject to availability
