

PLEASE NOTE: Third Party Agreements (referred to as Top up Fees). If you are receiving funding via the local authority this is an additional payment which is requested by individual care homes on top of the local authority rate. This payment must be covered by a third party contract and is a separate agreement between Oldham Cares (The local authority) and the third party (not the resident). Please make sure that you fully understand the arrangements in place and check with the care home the charges are up to date before signing any agreement. We have listed the current top up fees against each of the care homes but these could be subject to change by the home, please contact: Age UK Oldham on 0161 622 9314 for further details.

Please note where a home has indicated they are able to assess and admit residents after 5.00 p.m. on weekdays, weekends and bank holiday a minimum requirement would be an overview assessment, discharge letter and full medication. Please refer to the CQC website for the care homes latest inspection reports or alternatively you can view these reports on the Age UK Oldham 'choosing the right care' web page.
