

Applying to Homeshare Oxford

**** COVID-19 – CORONAVIRUS: We continue to support existing Homeshare matches and welcome enquiries and applications from Householders looking for support, and Sharers seeking accommodation. We follow Homeshare UK and Age UK Oxfordshire guidance in assessing and minimising risk in view of Covid-19, which includes a requirement of self-isolation prior to a new Homeshare arrangement beginning. We will take all necessary steps and precautions to ensure that we are operating as safely as we can. Please do talk to us about this if you need further information at this stage.****

Homeshare Oxford carefully matches older people living in Oxfordshire who are looking for help or companionship at home, with people needing affordable accommodation, who are happy to lend a hand and be part of a home.

A Homeshare arrangement provides mutual benefit to both ‘Householder’ and ‘Sharer’. In return for the accommodation the Sharer gives the Householder up to 10 hours of their time each week as practical help and/or companionship. The reassuring presence of another person in the house overnight is sometimes important to the Householder too.

Each Homeshare match is individual and carefully agreed. It may include some cooking and light housework, help with computers and technology, maybe some shopping or gardening, arranged time together over shared meal perhaps, or the odd trip out. Sometimes the reassuring presence of having someone else in the house, especially at night, is particularly important. The companionship element of a Homeshare arrangement is often an important aspect for Householder and Sharer alike.

A Homeshare match does not involve any personal care.

Fees and costs

Monthly fees are payable to Homeshare Oxford by Householder and Sharer. These fees cover the costs of setting up the Homeshare arrangement and the regular, ongoing contact and support provided by the Homeshare Oxford team.

The Householder pays £100 per month (which works out at just over £3 per day).

The Sharer pays £200 per month to Homeshare Oxford. The Sharer makes a contribution to the Householder of an agreed amount towards household costs.

Homeshare Oxford is the local Homeshare organisation for Oxfordshire, part of Age UK Oxfordshire, a registered charity, and, as such, operates on a not-for-profit basis.

The process

Pre-application stage and application form.

Before we ask potential Householders and Sharers to complete a full application form, we ask for confirmation that you meet the Homeshare eligibility criteria (see pages 4 & 5). We also ask you to tell us a little about yourselves as well as why you would like to Homeshare. *If you are interested as a Sharer we need an idea of your daily routine and to know which opportunity you are interested in, or where you would like to live.*

Please provide the information above via the online form at the bottom of our webpage. www.homeshareoxford.org.uk. If this is not possible, please email us or, if you do not have access to the internet, you can telephone us.

All being well with the stage above, we will then send you the full application form.

Informal interview

If you are a **Householder**, we will visit you at home, to talk more about the Homeshare arrangement and the sort of help or companionship you would like.

If you are **Sharer**, we will also meet you in person to talk more about the sort of Homeshare arrangement that would suit you. Depending on various circumstances, this meeting may need to wait until a suitable Householder has been identified.

If it is not easy to meet in person, we can sometimes arrange an initial video call.

References and checks

Safety is central to Homeshare Oxford and we carry out the following checks:

Written References – We take up references for Householders and Sharers.

Disclosure & Barring Service (DBS) Checks (formerly CRB). We ask Householders and Sharers to disclose any convictions. We request an enhanced DBS check for Sharers.

Home Safety Checks – Smoke Alarms, Carbon Monoxide Alarms and Gas Safety are all checked. These may well already be in place but if new checks are needed, we can link you to Oxfordshire Fire and Rescue Service and to providers of Gas Safety checks.

Finding the right person for you

We draw up a profile with you which says a bit about you, the things that are important and of interest to you, and the sort of Homeshare arrangement you would like.

Householder profiles detail the sort of help you would like and Sharer profiles the sort of help you can offer. We show your profile to someone who might be a potential match and whom we think you may like to meet.

Introductory meeting

Once a Householder and Sharer have decided they would like to meet each other, we arrange an introductory meeting. It's a chance to meet each other, talk about how the arrangement could work and for the Sharer to see the room and the house. A member of the Homeshare Oxford team is also there.

We ask Householder and Sharer not to make an immediate decision as to whether they would like to go ahead with the Homeshare arrangement, but to let Homeshare Oxford know the following day. Occasionally, a second meeting can be arranged, if both Householder and Sharer would like this.

Drawing up the Homeshare agreement and moving In

Once a decision has been made to go ahead, the specifics arrangement are agreed by both parties, documents are signed, a start date is agreed and the Homeshare can begin!

Thereafter.....

The Homeshare Oxford team will keep in regular touch, both in person and over the phone, to support the Homeshare and to ensure that it runs smoothly.

Homeshare Oxford organises several social events each year. These are good opportunities to meet other people involved in Homeshare. We are also keen to listen to people's experience of Homesharing and for this to shape how we do things and we have several mechanisms for doing this.
