

Homeshare opportunity in central Witney, OX28 (Ref 035)

Would you like to share the pleasant home and garden of a thoughtful, elderly person living within easy walking distance of central Witney?

The Householder has wide and varied interest including art, music literature, education, gardening, social justice and human rights. She has been involved in voluntary work with the peace movement, local politics and refugees and has had a life-long interest in other developing countries and other cultures, having travelled widely in Europe, Africa, and China.

Due to health limitations, decreased mobility and being at risk of falls, the Householder would welcome a little help around the home and garden and assistance with, for example, putting out the rubbish bins.

Shared company would also be a key element of the Homeshare and someone who would often be around in the evenings, who would enjoy sharing some meals together, or watching the news together, would work well. In time, trips to the cinema or theatre together would be a bonus.

A reassuring overnight presence is important and therefore the opportunity would therefore best suit someone who was not often away overnight, with the exception of the odd pre-planned night away, some weekends and holidays.

A car driver would be preferable, for help with the odd errand or lift and for occasional trips out together, but not essential.

This would suit a responsible, considerate, friendly and tidy person who would enjoy company and conversation and who shared some of the Householder's interests. Someone of a similar socialist political stance, open about their views and who enjoys debate and discussion could be very welcome.

The Householder is fully vaccinated against COVID-19. She is looking for a Sharer who has also had two vaccines, who works in a low-risk environment with few daily contacts and whose lifestyle, in general, would be low risk in terms of exposure to COVID. Someone who is similarly careful and concerned about the virus, and whose social life is limited in terms of person-to-person contacts, would be well suited.

Homeshare Oxfordshire carefully matches an older person, or couple, looking for help, companionship or reassurance at home, with another person who is happy to lend a hand, and who needs low-cost accommodation. **The Sharer gives the Householder up to 10 hours of their time each week as a combination of companionship and practical help, as agreed.** Each party pays a monthly fee to Homeshare Oxfordshire.

Could Homesharing be right for you?

• Age

Sharers are aged 21 or over (**and eligible to live in the UK**)

• Support commitment

Sharers can happily give up to 10 hours each week as practical help or companionship to the Householder.

(No personal care is involved).

• Shared living

Sharers would enjoy and value living with an older person, or possibly an older couple. Sharers are emotionally mature, clean and tidy, kind and considerate.

• Circumstances

Sharers have an established work/study pattern. The risk of the Sharer's exposure to COVID-19 usually needs to be taken into account. NB Homeshare is not usually suitable for people working long hours or shifts. Sharers are generally not expected to be away overnight unless pre-arranged.

• Duration of Homeshare

Sharers are able to commit to a minimum of 9 months, although most Homeshare arrangements last considerably longer.

• References and checks

Sharers are able to provide three referees (usually character, employer or institution and landlord). Sharers must tell us about any spent or unspent convictions and undergo an enhanced Disclosure & Barring Service (DBS) check.

• Financial commitment

Sharers should be able to demonstrate that they can meet the monthly fee requirements plus the contribution to household costs.
