

## **Oxfordshire Age Friendly Creative Ambassador project (AFCA)**

Welcome to the Oxfordshire Age Friendly Creative Ambassadors project. We want to ensure the older people's views and voices are at the heart of our Oxfordshire Age Friendly Creative Network. The AFCA project is open to anyone aged 60+ who would like to help shape Age Friendly Arts, Culture and Creativity in Oxfordshire. You do not have to be an artist, have previously been a participant in a creative project or visitor to a cultural venue. It is completely free to join and everyone is welcome.

The role of AFCA's is flexible and dependant on members availability and interests and includes:

- Giving your thoughts and ideas about what creative activities are of interest to you in Oxfordshire, what is missing and how things could be improved.
- Helping us to find new ways of supporting people aged 60+ to get creative across Oxfordshire.
- Sharing your ideas and opinions on creative opportunities across Oxfordshire and encouraging other people aged 60+ in your local community to tell us what they think and want too.
- Attending AFCA meetings (in person and/or online) when you can and taking part in visits to different creative places and spaces across Oxfordshire subject to your availability.

AFACs will automatically be added to the Oxfordshire Age Friendly Creative Network (OAFCN), receive the monthly OAFCN e-news and be invited to attend AFCA meetings both on-line and in person.

For more information and to express an interest please contact e: [helenfountain@ageukoxfordshire.org.uk](mailto:helenfountain@ageukoxfordshire.org.uk) or t: 078878 82960
