

Jolly Elders

Looking for something fun and friendly to do on a Friday afternoon? Come and join our Jolly Elders group. It's a relaxed, welcoming space where older adults can get together, have a chat, and enjoy a mix of light activities!

Each week brings something different. Sometimes it's a fun quiz, other times a craft activity or a few light hearted games. It's a relaxed space where you can get involved as much or as little as you like, with plenty of time to chat and enjoy the company.

Every Friday
