Charity Banquet

AND FUNDRAISING AUCTION

SATURDAY 14th OCTOBER

AUCTION CATALOGUE

WILL I MAKE A DIFFERENCE?

ABSOLUTELY. 100% of the our fundraising goes straight back into the charity. Unlike grants and money for specific projects, this 'unrestricted funding' allows us to take action on vital work with real urgency. Essentially it enables us to identify a problem or opportunity in the community and immediately start work on addressing it and putting solutions in place. Given the current social and economic climate, for some, the stakes have never been higher.

DAVID WOOD - CHIEF EXECUTIVE OFFICER, AGE UK PLYMOUTH

CHALLENGES

To get a sense of the urgency and size of the support that Age UK Plymouth provides consider this:

The City of Plymouth is within the 20% most deprived districts in the country. Parts of our city fall into the top 1%.

Children born today will most likely live to 100. In 10 years 15,400 people in Plymouth will be over 65, over 1/3 of them live alone.

1 in 2 of us will be affected by dementia in our lifetime. By 2030 4,850 people in our city will live with dementia.

Our Information & Advice Team secured £2.6 million in entitlements for people living in the City of Plymouth in 2022.
