Donations in Memory

Who we are

Age UK Plymouth is an independent local charity, which has operated for over 75 years in the City of Plymouth. We provide a wide range of services and support to older people - including many who may be vulnerable, socially isolated, lonely or in poor health.

We offer social, creative, health and wellbeing activities to give older people and carers the opportunity to meet and engage with other people to improve their quality of life.

Our mission

‘Age UK Plymouth exists to care for and work with older people and their carers in and around the City of Plymouth to improve their quality of life through the promotion of choice, opportunity and independence.’

Making a difference

Remember the life of a special person in a valuable and positive way by making a donation to Age UK Plymouth in their memory. Your gift will enable us to support older people to have a good quality of ‘later life’.

If you are arranging the funeral of a loved one, you may want to suggest to friends and family that they make a donation to Age UK Plymouth instead of, or as well as, buying flowers.

Each gift, however small, is important to the older people of Plymouth. Thank you for your kind consideration in supporting Age UK Plymouth at such a sensitive time. Please contact us if you would like to know more about our work.

What your donation can do

Age UK Plymouth relies heavily on the generosity and goodwill of the general public to financially support the services we provide for older people and carers.

All money raised locally is spent locally

- £25 would pay for Winter Warmth items to be delivered to an older person in cold weather
- £50 would pay for a full financial review to ensure an older person is receiving their full entitlements
- £100 would allow us to purchase new activity equipment to expand the opportunities on offer
- £200 would support training and development of our volunteering programme which enables older people to enjoy activities and socially engage with others
