

Ayla, age 5 - John Bramston Primary Winner

What does community mean to you?

Redbridge Council are working with people across the borough to better understand what they would want to see in their community, as part of the Community Hubs Programme.

This is your community. We want to bring together local people, businesses, charities and local services to create a future vision for the area, through projects and activities around shared interests at the heart of the community.

There are lots of ways to get involved, from sharing your stories and experiences of Hainault & Fairlop to setting up your own community project.

...or contact our Community Organisers directly:
