How you can help us

Age UK Richmond upon Thames is a local independent charity, working in partnership with other Age UKs. As an independent organisation, we raise our own money separately. We are dependent on local support for the vast majority of our income.

There are many ways you can support our work. Every single donation is important to us and goes a long way to help someone who needs us in the borough.

Financial support: Make a donation, leave a gift in your will, sponsor us, hold fundraising events. To support our local work, please ensure you are giving to 'Age UK Richmond upon Thames, The White House Community Centre, 45 The Avenue, Hampton, TW12 3RN. Charity number 1084211.'

Please be aware that donations and gifts in wills made to 'Age UK' will not reach us, Age UK Richmond. Please use the correct details given above.

Volunteer support: Volunteer your skills, time or resources.

Raise Awareness: Tell others what we do and the services we provide, let others know who we are – an independent charity providing local services and needing local support.

Give us feedback: Tell us what's working well or where we can improve.
