Who we are

Age UK Salford and Trafford is a local independent charity committed to supporting older people to live well and age positively. Our mission is to improve the quality of life for older people across Salford and Trafford by delivering high-quality services, information and inclusive support that promotes independence, wellbeing, and dignity. We are dedicated to reaching those most in need, championing their voices, and ensuring their choices are respected.

As a trusted, adaptable and collaborative organisation, we work in partnership with others to influence positive change, reflect the diversity of our communities, champion volunteering, and help older people benefit from evolving health and social care reforms.

Job Purpose

This new integrated role sits within our Age Well Early Intervention and Prevention Service and combines responsibilities from both our Dementia Support and Hospital Aftercare teams. The postholder will support older people across Salford, including those living with dementia and those recently discharged from hospital, helping them regain independence, confidence and wellbeing.

Using a strengths-based approach, the coordinator will deliver personalised interventions, structured support, and dementia-informed guidance, working closely with internal teams and external partners to ensure seamless, joined-up care across hospital and community settings.
