

Stepping Into Digital (SID)

Wednesdays

12:30pm - 2pm

Brasshouse community centre

Brasshouse Lane, Smethwick B66 1BQ

At Age UK Sandwell our Stepping into Digital (SiD) programme aims to support you and make the most out of technology and the internet.

Whether you're new to surfing online or in need of help or advice, our Digital Champions will be on hand to guide you. We offer free sessions, delivered over the phone, or online videos calls, one-to-one sessions or in groups - where safe to do so. From video calling family and friends, shopping online, to pursuing hobbies and interests, we are here to help, and get you "surfing" the internet safely!

Not got a device or internet connection? No problem!

You can borrow a tablet and internet connection for up to 90 days (subject to availability) to get your journey underway. If at the end of the loan period you should wish to continue using the internet and appropriate device, we can guide you in the right direction.

To register your interest, simply give our activity team a call on 0121 4370033 or email activities@ageuksandwell.org.uk, and we'll connect you with your local Digital Champion!
