

## Donation Form

Age UK Sevenoaks & Tonbridge was formed in April 2011, as a result of a merger between Age UK Sevenoaks and Age Concern Tonbridge. Both charities had previously supported older people in the community since 1947 and were independently registered charities. The merged charity will continue with the aim of enabling older people in Sevenoaks, Tonbridge and surrounding districts to remain as independent as possible, and to improve the quality of their lives.

We are an autonomous charity and have responsibility for our own funding.

Every year we need to raise money to address funding shortfalls in order to maintain core services at our Hollybush Court, Town Lock, and Edenbridge Day Care Centres. We also require support for appeals that enable us to upgrade and improve our facilities. These include our Computer Learning Centres which strives to ensure older people are not left behind as society becomes increasingly dependent on technology.

To enable us to continue to provide vital services in the community for the growing number of older people we need the generous support of individual donors together with our own fundraising efforts.
