Drawing Challenge

Draw:

- Something wooden
- Something stuck
- A whisper

It's up to you what you draw with these challenges, it can mean something different for you than it might be for someone else.

Use different forms if you have them paint, pencils, felt tips, chalk, crayons. These can be helpful to layer up and bring texture if they suit your drawing.

Maze

Word Wheel

How many words can you make with the letters from the word wheel? Each word must use the letter in the centre of the wheel.

Read: Hope is the thing with feathers by Emily Dickinson

“Hope” is the thing with feathers -

That perches in the soul -

And sings the tune without the words -

And never stops - at all -

And sweetest - in the Gale - is heard -

And sore must be the storm -

That could abash the little Bird

That kept so many warm -

I’ve heard it in the chilliest land -

And on the strangest Sea -

Yet - never - in Extremity,

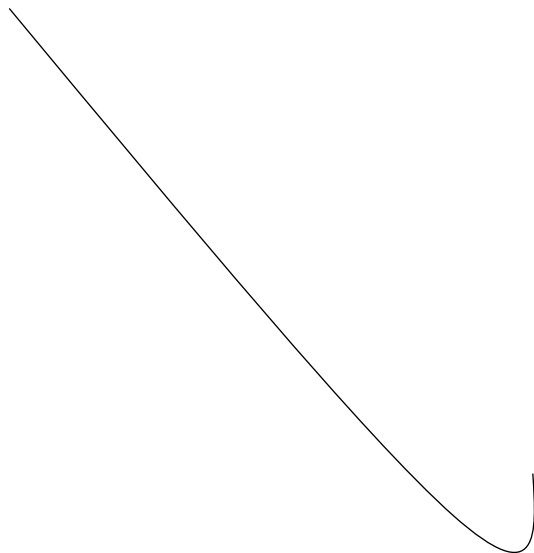

It asked a crumb - of me.

Caption competition

Come up with a caption for the following image, the funnier the better!

Make Rocky Road

You will need:

200g digestive biscuits

135g butter or margarine

200g dark chocolate

2-3 tbsp golden syrup

100g mini-marshmallows

18cm square tin

Baking paper

Freezer bag

Access to a saucepan or microwave to melt the butter, chocolate and golden syrup.

Method:

1. Grease with butter or margarine the 18cm square brownie tin and line with baking paper.
2. Place 200g digestive biscuits in a freezer bag and bash with a rolling pin or just the side of your fist until they're broken into a mixture of everything between dust and 50p-sized lumps. Set aside.
3. In a large saucepan melt 135g butter or margarine, 200g dark chocolate and 2-3 tbsp golden syrup over a gentle heat stirring constantly until there are no or almost no more lumps of chocolate visible, then remove from the heat. Leave to cool.
4. Take the biscuits, 100g mini marshmallows and stir into the chocolate mixture until everything is completely covered.
5. Tip the mixture into the lined baking tin, and spread it out to the corners. Chill for at least 2 hrs and cut into 12 fingers.

Press some flowers

You will need:

- A cardboard box
- Paper
- A few heavy books
- Freshly cut flowers
- A glue stick
- Paint/felt tips/glitter
- collage materials of your choice for extra decoration

What to do:

1. Gather some freshly cut flowers.
2. Open up a heavy book and place paper over both pages to keep them clean.
3. Lay a flower on top of one of the pieces of paper, so that the other will cover it when the book is closed. Make sure you only put only one flower in between each sheet – you can put multiple sheets in one book, though.
4. Close the book, and weigh it down with more books. Do the same for the rest of the flowers, and leave them for about two weeks.
5. Start decorating. Using a cardboard box (shoe boxes are perfect) and design the background using paint or any craft materials you have at home.
6. Once the flowers are pressed, carefully take them out of the books and glue them on the box. Be sure to put the glue on the box itself rather than the flower.
7. Once the flowers are stuck down, leave them to dry and they'll have the perfect homemade keepsake box for keeping things which bring back special memories.
