Partnership Support for remote working

Good news

Join Heeley City Farm as they complete a Tour of the Wortley Walled Garden at 6.30pm on Thursday 25th June live on Heeley City Farm's Facebook page.

Upon its return football will be free to view on the BBC.

How can you help?

It's the start of carers week- what can you do to show support for carers?

Your Questions answered

What might the future provision look like?

This is a really difficult time to know what the future of our provision might look like, with social distancing in place, for people who are shielding and people who we are supporting more generally.

Although we don't have all the answers it can be useful to explore the options, your ideas around what might work and what might not to your managers. From these discussions they can be shared with the link worker meetings to share best practice and your thoughts to get other organisations view on things.

Can you occasionally do face-to-face socially distanced home visits?

Would 1-1 sessions work in the future?

Could you work with a smaller group?

Could you work now to get more people online- to be able to deliver more online provision?

Could people access the building and if so how might this be done?

Let's think creatively together to support people living with dementia and their carers.

If you have any other questions regarding supporting people living with dementia through the pandemic, please contact me so I can help share best practice between different areas of the city.

Passing the time

I understand that many of the people you support will suddenly have lots of time on their hands so in this section I will share different ways to pass the time.

Knots

Let me know if you want to share your own with other partnership organisations and I can do this in your next support document from Enrichment for the Elderly- sharing is caring after all!

Joke of the day

What did the sink say to the toilet?

Wow, you look really flushed!

I hope you have found this document useful. If there is anything that I should add or remove as a feature for next time, please let me know as I want to make it as helpful as possible for you. If you want to share your best practice, please let me know too.

Thanks for all that you do in making a big difference to people living with dementia and their carers.

Please take care of yourself and if there is anything, I can do to help please let me know.

Thanks,

Grace
