

Become a corporate partner

In our 75th anniversary year, find out how a partnership with **Age UK Shropshire Telford & Wrekin** can make a difference to your organisation and the lives of older people in Telford and Shropshire.

A message from our Chief Executive

For 75 years, Age UK Shropshire Telford & Wrekin has supported local older people, their families and carers, offering a helping hand when it's needed most.

To celebrate this milestone we've launched an appeal to raise £75,000 for services and projects that combat loneliness and isolation.

Last year we helped reconnect over 6,500 people within their communities, tackling loneliness head-on. But there's still much more to do, and we can't do it alone.

We hope you'll consider supporting us: let's make a difference, **together**.
