

Help us to support older people in Solihull

Age UK Solihull is a local charity, with over 40 years' experience of working on behalf of older people in the borough of Solihull (previously known as Age Concern Solihull).

Our vision is to help older people maintain their independence, health and well-being and support them with the challenges faced in later life. This could be anything from finding a reputable tradesperson, to benefits advice, winter warmth and energy efficiency and providing companionship. Each year, we help over 10,000 Solihull residents with a range of issues.

We're a brand partner to the national Age UK organisation, who campaign for older people nationally, whilst we deliver services locally. We're an independent, local charity with our own registered charity number and all the money you raise will stay within your local community here in Solihull.

By supporting Age UK Solihull with your sponsored activity, you will help us continue our vital work. For example, just £5 could help us provide a volunteer to visit a lonely, isolated older person. With one of the fastest growing ageing populations in the West Midlands, the demand for services in Solihull continues to climb, and therefore so too does our demand for funding.

Thank you for your support.

If you know anyone who needs our help, please ask them to either drop in to our **Community Hubs** at The Core, Solihull Central Library or Chelmsley Wood Library (check our website for drop-in times) or call us on **0121 709 7590**.
