

# Partner with us in 2023

Age UK Solihull is an **independent, local charity** that helps over 10,000 older people in the Solihull borough each year.

**And we are  
celebrating  
our 40th  
anniversary  
in 2023!**

With the support of businesses like yours, we can continue to be here for older Solihull residents into the next 40 years.

Whether you're looking for an official charity partner, a one-off fundraising activity or a sponsorship opportunity, we are sure to find a way of working together that suits you and your business.

Our dedicated Fundraisers, Becky and Lorraine, work closely with our corporate partners to ensure our partnerships are mutually beneficial. We'd love to have a chat about working together.
