

We are 40!

Age UK Solihull was founded in 1983, initially known as Age Concern Metropolitan Borough of Solihull, and later Age Concern Solihull before beginning to trade as Age UK Solihull in 2009.

We are proud to provide advice, companionship and practical support for over 16,000 Solihull residents each year.

We couldn't be here without the support of the Solihull community. Local businesses, community groups and individuals have all done so much to support us over the years and we are so grateful. **Thank you!**

Join in with our celebrations!

You can help us to be here for the next 40 days, weeks or years by getting involved in some of our Ruby Anniversary fundraising activity:

Challenge 40 Walk 40 miles, bake 40 cakes, run 40 km or get 40 friends together for a quiz night—the possibilities are endless! Choose a challenge based around the number 40 and get sponsored to raise vital funds.

Become a Ruby Donor Make a regular donation of £40 a year to help us to continue to provide our services for older and vulnerable Solihull residents. This could be an annual lump sum of £40, or a monthly donation of £3.33 (just under £40 a year).

Remember us in your Will Help us to support future generations of Solihull residents when they reach later life. You can leave as little as 1% to charity in your Will, meaning those closest to you are still taken care of.
