

# LINKING PEOPLE TOGETHER

The Linking People Together service is a person-centered service that is as individual as older people themselves.

It aims to provide timely intervention and support to older people in order for them to maintain social interaction and remain vital members of their local communities. The service is delivered by trained volunteers and is divided into three core elements:

- **Home-based Befriending**
- **Practical help, support and advice**
- **Access to community-based social activities including:**

A weekly pub-based lunch club in Olton (Mondays)

A weekly 'Afternoon Club' in Olton (Wednesdays)

A weekly pop-in club in Temple Balsall (Thursdays)

**If you would like to find out more please contact  
Age UK Solihull on 0121 704 7846**

**This service is currently funded by the Solihull  
Borough Council.**
