"My volunteer befriender is awesome; I feel like I have known her all my life. She is such a lovely, kind lady. We chat about her children and she cheers me up."

Why become an Age Angel?

Our regular donors – our **Age Angels** – are at the heart of everything we do.

It costs nearly **£2m** each year to provide our services, and we rely on **donations** and **gifts in wills** from people in the community to keep them going.

By giving a small amount each **month, quarter** or **year**, you can make a **lasting difference**.

Every regular gift, no matter how big or small, adds up and makes a **big impact** in Solihull.

What difference could I make as an Age Angel?

£5

a month could help pay for a **volunteer befriender** to visit a **lonely older person** in their home each week.

£10

a month could help pay for a **volunteer** to provide **one-to-one digital skills training** to an older person experiencing **digital exclusion**.

£40

a month could help pay for **twelve electric blankets** in a year to keep vulnerable Solihull residents **warm** in their homes.

£100

a quarter could help cover costs of our **social clubs and activities**, which offer a **warm space, refreshments** and **company**.
