

Local Tradespeople List

Section One: Property Maintenance

Section Two: Plumbing, Heating and Electrics

Section Three: Computers, Telephones & TV

Section Four: Gardening

Please note: Inclusion on this list does not constitute a recommendation from Age UK Solihull.

This list is updated regularly.
Please check www.ageuk.org.uk/solihull/lists
for the most up to date version.

Thank you for your enquiry about our local trades list.

The individuals and companies included on this list do not work for and are not recommended or vetted by Age UK Solihull. Any work undertaken will be a private arrangement between you and them. Age UK Solihull is not responsible for work carried out by the people included on this list, nor do we personally inspect the work they have done and the charity has no influence on their working arrangements or charges.

Age UK Solihull has obtained two customer references for each of the traders and we have also ensured to the best of our ability that they have Public Liability Insurance.

Be wary of workmen who call at your house unannounced or if they are highlighting a potential problem. It is important to get 2 or 3 written quotes from different companies but always check if you will be asked to pay a call out fee. Get a clear idea of what the cost will be before commencement of any work by asking for a written quote to include details of work, parts, labour & any other costs. Generally, you should avoid paying money in advance if possible.

Your comments about this list and the individuals and companies included on it are very valuable to us. This ensures that only people who are committed to providing a good quality customer service are included on this list.

If you have any questions, complaints or comments please contact us on 0121 704 7840 or

Gas Safe Register: By law all gas businesses must be on the Gas Safe Register. It is the official list of businesses that are legally permitted to carry out gas work. Every registered business employs an engineer(s), who is issued with a Gas Safe ID card. Not all engineers are qualified to do all types of gas work – so remember to check their ID card before any work is carried out. Call 0800 408 5500.
