## **Section One**

### **Sheltered and Retirement Housing to Rent**

**There are many providers of retirement/sheltered housing in Solihull. The largest is Solihull Community Housing (SCH). This is the name of the Arm's Length Management Organisation (ALMO) responsible for running the housing service on behalf of Solihull Council.**

**Solihull Community Housing work in partnership with Solihull Council, Beth Johnson Housing Association, Bromford Housing Group and Waterloo Housing Association to provide an allocations scheme called Solihull Home Options. This scheme allows those registered to make 'bids' for available properties.**

**For more information you can pick up a booklet called 'Access to Housing' from one of Solihull Community Housing's area housing offices, or one of the Council's Connect offices. Alternatively telephone 0121 717 1515 or log onto [www.solihullhomeoptions.org.uk](http://www.solihullhomeoptions.org.uk)**

**Other providers include Housing Associations, Charitable Trusts, non-profit making organisations, Trusts and profit making companies.**

**Further information about all forms of housing for older people can be found on the Elderly Advice Counsel's website [www.HousingCare.org](http://www.HousingCare.org) which offers two telephone helplines – Housing Care on 0207 820 1343 and First Stop on 0800 377 7070 .**

**Useful information is also provided on Age UK's Information Guide 'Choices in Retirement Housing' and our Factsheet 'Looking for Rented Housing'.**

**Those on low incomes may be eligible for assistance with their rent, service and support charges and Council Tax. The Income & Awards department at your local council will be able to assist or enquire at the Community Advice Hubs located in Chelmsley Wood Library and The Core, Solihull.**

**The list that follows provides a comprehensive selection of properties available to rent in the Solihull area, we do not make recommendations.**

**Whilst we make every effort to ensure that the information given is correct, we recommend that you contact individual providers for further information including how to make an application, waiting lists, facilities and current fees.**
