Book a **free** taster session today and see for yourself why Age UK South Staffordshire has gained an excellent reputation for providing day services for people with dementia and other long term conditions across Southern Staffordshire.

This leaflet can be made available in other formats and languages, please phone 01785 788482 for information.

Enjoyable opportunities for local people at safe, welcoming, easily accessible premises.

Over the last decade Age UK South Staffordshire has developed day services for older people who have dementia, a physical disability, or other complex needs and we have well equipped centres at Penkridge, Cannock, Tamworth, Lichfield and Wombourne.

Trained, experienced and caring staff, providing tailored support.

We provide a sociable atmosphere where fun, engaging activities are tailored to each service user with periods of quiet time, built in, according to the needs and preferences of each person. Meals and snacks are provided throughout the day, with the security of door to door transport with trained escorts that accompany each person from and to their home.

Our aim is to encourage independence, choice and an improvement in quality of life.

At Day Opportunities, we will provide the security and atmosphere of home from home but with the added opportunity to make new friends and enjoy the company of local people with varied backgrounds, skills and interests .

Experienced Staff

We have a committed team of staff that are professionally trained and who also benefit from regular skill updates and development opportunities.

Links with the Community

We have links with local organisations and carers groups, and are keen to make contact with other agencies in the area that have a common interest.

Funding Your Care

For further information on ways to fund your care, please contact the Day Opportunities team on **01785 788 481 / 471**

Volunteers

We also have volunteers who help us provide additional support for activities, conversation, games, crafts, trips and excursions.
