Job Description

Post: Essence Service Carer Support Worker (Phase 2)
 Responsible to: Essence Service Manager
 Location: Essence Centre Doxford Park

Job Purpose

To provide practical, social and emotional specialised support to those caring for someone who are living with a diagnosis of dementia with higher need.

Job Description

To ensure the provision of innovative interventions and continuous practical, social and emotional support to those caring for someone who are living with a diagnosis of dementia with higher need.

To develop a personal plan for the carer, which looks at what support is required due to increased responsibility as the person they are caring for needs escalate and what the barriers are to maintaining their quality of life in their caring role.

To manage an active caseload.

To act as a navigator and a listening ear to carers to ensure their needs are identified.

To promote a self-management approach which will look to empower carers to help themselves through peer to peer support and access to specialised services e.g. financial planning and legal services.

To actively provide respite and solutions to carers – whether that be in the hobbies they enjoy or practical information and support, to ensure they have adequate tools to increase their wellbeing ensuring they are able to carry out their caring role.

Organise and facilitate carer peer support groups in a range of community settings and to link with existing provision as appropriate.

To be actively involved in organising, preparing and delivering information sessions and wellbeing programmes to those caring for someone who are living with a diagnosis of dementia with higher need.

To recruit a small team of volunteers to support a respite/befriending element of service provision for carers and cared for.

To identify carers who would benefit from understanding dementia courses and actively populate course dates.
To work closely with Sunderland’s Carers Support specialists.

To actively promote the service.

To keep records of clients and volunteers.

To ensure adherence to GDPR principles at all times

To act as a safeguarding alerter in line with AUKS’s organisational policy and procedure.
