How to find us
Our offices are just off Woodbridge Road. Turn into Leas Road and William Road is the first road on the right. Follow the road straight down. We share a building with Wilts Electrical. The entrance to our office is on the left, up the flight of steps.

Car Parking
There are no parking facilities for visitors at Rex House. Nearest public car parks are in Bedford Road, by the Crown Courts and cinema. Guildford has ‘Park and Ride’ services and we are a 7 minute walk from the bus station at The Friary Centre.

By Rail
Turn right out of station, cross the road, turn right and then left onto Bridge Street and cross the river; follow road round past pedestrian crossings and turn left into Bedford Road. Follow Bedford Road past the Cinema and Crown Court into Mary Road. Turn right into Leas Road and then left into William Road.

OR
Turn right out of station, cross the road and turn left. Walk along Walnut Tree Close and take the footbridge on the right at the end of the office block and cross the river - the Cinema will be on the left. Cross the piazza to Bedford Road, turn left and continue to the Crown Court and then as above.
