How does the service work?

You choose the support you need. Our local team will talk to you about your requirements and personally introduce you to a Home Help who has been interviewed and selected by us. We will be available to ensure you receive excellent service and answer any questions you may have. If required, we will wherever possible, arrange holiday and sickness cover to ensure you receive continuous support. All our Home Helps are security checked, to give you peace of mind.

“It is like having a friend come round to help, I am very glad I have a Home Help. I enjoy seeing her each week”.

We charge a modest monthly service fee to enable us to support you locally and our charitable work across the county. To make the service as affordable as possible, all our Home Helps and Gardeners are self-employed. That means you pay them directly for the number of hours they work.
