We are here to support you

Are you living alone? Family and friends live far away? Finding it difficult to get out and meet people? Have a hobby or interest you would like to be able to take up? These are just some of the ways our Making Connections Service can help you.

How the service works

We work with you to enable you to stay independent and in touch with your local community.

Our Co-ordinator will visit you and talk about what you would like to do and introduce you to a trained volunteer. Our volunteer will help you every step of the way.

Tailored for you

Our volunteer can visit you at home or go with you to community activities. If you prefer we can support you through Skype (internet connection required) or by telephone, just let us know.

Whether you want someone to visit you at home, go for a walk, take up a new hobby or join a community group we can be here for you.
