LASTING POWER OF ATTORNEY

Being prepared will give you and your family peace of mind.

Lasting Powers of Attorney are documents that enable you, while you still have mental capacity, to appoint trusted people as your attorney(s). There are two types of Lasting Powers of Attorney: financial and health. By completing a Power of Attorney, you decide who is going to make future decisions on your behalf if you need help or lose the ability to make decisions for yourself.

Our Information and Advice Team can provide you with free information and advice on LPAs, please contact them on **01483 503414**.

We now offer a full Lasting Power of Attorney (LPA) service which includes a home visit. We guide you step by step through your LPA application, helping to ensure all paperwork is submitted correctly to the Office of the Public Guardian. A fee applies. If you are interested in our LPA service, contact our LPA Coordinator: LPA@ageuksurrey.org.uk or **07593 139549**.

INDEPENDENT CARE ADVICE

Finding the right care for yourself or a family member can be very daunting. Our specialist service will:

- Advise you on the pros and cons of your care options as well as managing the cost of care.
- Shortlist the best care providers for you to choose from.
- Assess the right ongoing care for you by undertaking personal visits.

The service is delivered by Surrey-based Grace Consulting. Age UK Surrey may receive an introducer's fee to support our charitable work.
