News from Wakefield Library Service

All Wakefield Council Mobile Library services are suspended until further notice due to Covid-19 but the Home Library Service team have been able to supply doorstep deliveries to existing customers.

The Home Library service is a free service offered to anyone in the Wakefield district who is unable to visit their local library and who does not have anyone who can visit on their behalf. You may apply for a service if ill-health, disability, or frailty prevents you from visiting the library or you are unable to carry materials to or from a library.

If you would like to be added to a future waiting list please contact Wakefield Library Service on 01924 302241.
