

TOGETHER AT CHRISTMAS

Help us bring people together this Christmas

We're inviting local businesses to join us and make a real difference to older people in their community through hosting a festive party within their place of work or a local event space.

How can your business get involved?

You could:

- Support a festive event in your local community
- Help us spread the word by inviting your customers and local community
- Volunteer on the day and be part of the celebrations
- Invite your employees, friends and family to get involved

Your support makes a difference

We will organise and deliver the event along with providing you with a dedicated business support toolkit filled with everything you need to help promote your involvement, including event ideas, invitations and flyers. Your business logo will feature on advertising and social media for your event, demonstrating your commitment to older people and your local community.

FOUR LEVELS OF SUPPORT AVAILABLE

- 1) Donate £50 to provide refreshments for attendees
- 2) Donate £100 to provide refreshments and raffle prizes for attendees
- 3) Donate £150 to provide refreshments, raffle prizes and a gift for attendees
- 4) You can support us with a small donation, encourage your team to volunteer, donate raffle prizes or simply help us spread the word.

Choose the level that works best for your business — every contribution helps us make Christmas brighter for older people across the Wakefield District.

TOGETHER AT CHRISTMAS

This year, we're proud to be supporting Age UK Wakefield District's Together at Christmas campaign, and we'd love our colleagues to get involved.

Loneliness and social isolation can have a significant impact on both mental and physical wellbeing and whilst Christmas is a time for family and togetherness, for many older people it highlights their isolation. That's why community activities that bring people together, build connections and create opportunities for friendship are so important.

The Together at Christmas party will offer two hours of festive fun for older people who may be experiencing loneliness across the Wakefield District. We will create a warm and welcoming opportunity to meet others, enjoy some Christmas cheer and take part in activities, with free refreshments provided.

We'd like your help to make this event special, so if you'd like to get involved, here's how...

- Share on social media
- Suggest people who would like to come
- Donate a raffle prize
- Help with the party on the day
- And any other ideas you'd like to share with us
