

1.30pm-3.30pm – third Monday of the month Your very own “Tech Support Group”

Ever wished you had someone to turn to when you get stuck on a technology matter?

Need help/advice about computers, tablets, phones, or other technology?

Want to keep up to date about technology and learn new things?

Want to meet people like you to share experiences?

Our experienced panel of volunteers will be on hand to lead the relaxed sessions over a cup of tea/coffee.

These sessions cost £3 to cover administration and refreshments.

Please note: we cannot repair equipment.
