

## FREE home energy checks for over 65s

### October 2020 – March 2021

Age Cymru West Glamorgan are offering **FREE** home energy checks for people over the age of 65 who may struggle to heat their homes this winter. Concerned over the amount you may have to spend on Gas and Electricity this winter? We may be able to help.

### We are offering:

- **A thorough assessment** of your heating patterns, hot water system and insulation.
- **Installing simple energy efficiency equipment**, for **FREE**, such as draught excluders, radiator panels and LED Light Bulbs.
- **Tips and advice** on how to keep warm and save energy.
- **Providing information on other support services.**

For more information, contact our Homecare Plus team on:
