Please could you let us know where you heard about our volunteering roles?

Please let us know what volunteering role/s you would be interested in.

Why would you like to volunteer and what experience could you bring?

What is your availability - mornings or afternoons & what days/times? *(Please note, most of our volunteering opportunities are undertaken during the hours of 9am - 4pm Monday to Friday. This is so we can provide office hours support should you have a question regarding a client. Our Home Visiting roles can be done outside of office hours but other support for lone working in the community will be needed. This can be discussed at a later stage).*

A Criminal Record Check at enhanced level will be undertaken if you do not have a current certificate. Please tick to confirm whether you have a **current 'updated' Adult Workforce Enhanced DBS.**

Yes No

If you have, I will need to see a copy of it at some stage before you start volunteering with us. If you haven't, then our DBS provider, 'First Advantage – Know Your People' will send out a link for an application form via email to you.

As our work involves some vulnerable adults the post holder will be subject to a Disclosure and Barring Service check. You are invited to disclose any spent or unspent conditional cautions or convictions under the Rehabilitation of Offenders Act 1974 that you may have.

Do you have any unspent or spent conditional cautions or convictions under the Rehabilitation of Offenders Act 1974?

Yes No

Please note that declaration of any conditional cautions or convictions does not automatically mean that you will not be considered for the post. However, if you fail to declare at this point a conviction which later comes to light then you may not be able to volunteer.
