A lasting way to be remembered

Leaving a charitable donation

Registered Charity No.1086323

Remember Age UK West Sussex in your will ...

We are an independent local charity dedicated to helping older people across West Sussex. One of the wonderful ways in which people choose to support us is by leaving a gift to Age UK West Sussex in their will.

Your legacy will make a real difference to an older person in need of help. It could provide information and advice to someone struggling to access pension benefits, help those in later life to get out of the house and meet people at local community groups or to have tea and chat and provide support and companionship to someone feeling lonely.

A significant proportion of the money that we need to carry out this work across West Sussex comes from gifts left in wills. Sometimes it is our members and users of our service who decide to leave a gift: other benefactors prefer to remain anonymous.

Some people prefer to say exactly where and how they would like their gift to be used. Others leave the decision to us, knowing that Age UK West Sussex's needs and those of our members and clients can change over time.

One such example of how we used a gift of 2% of their estate from a long standing member of one of our activity centres can be seen in the centre's new IT suite, allowing members to learn a range of new skills introducing them to the digital age.

In memoriam donations

Making a donation in memory of a loved one is a wonderful way to celebrate their life. It really is a positive way to help make their memory last and support Age UK West Sussex's work. It can also be a great comfort at a time of loss to remember someone close to you in this way.

A donation in memory of someone special can be made in place of, or as well as, flowers at a funeral. It's up to you!

The family of a Help at Home client requested in memoriam donations to Age UK West Sussex. This kind gift of £1,000 enabled a lunch club to be set up.

We are always particularly grateful for these special donations. No matter what the size, these gifts will help Age UK West Sussex continue our work to make life better for older people.

If you feel you have been helped or comforted by a particular service within Age UK West Sussex, your gift can go to that project to ensure that other older people benefit from the service.

Much of our work is dependent on the freely given time of volunteers and the support of people who give us donations.
