

## What is Age Friendly?

All of our Age Friendly businesses have agreed to provide these four things as a minimum with no pressure to make a purchase:

-  A seat
-  An emergency phone call
-  Patient and helpful staff
-  A glass of water

Businesses marked with the Age Friendly flower logo have offered toilet facilities for people aged 50+ if needed urgently. Many of the businesses listed have committed to doing more than this to be as Age Friendly as possible.

**Look for the Age Friendly logo  
in shop windows!**
