What is Age Friendly?

All of our Age Friendly businesses have agreed to provide these things as a minimum, with no pressure to make a purchase:

 **a seat**

 **an ICE phone call**

 **patient and helpful staff**  **a glass of water or cup of tea**

 **Businesses marked with the age friendly flower logo have also offered toilet facilities for people aged 50+ if needed urgently.**

Most of the businesses listed have committed to doing more than this to be as helpful and age friendly as possible.

**Look for the Age Friendly logo
in shop windows!**
