We all hope you have a lovely Birthday Dorothy

Hi, my name's Delma Goddard. This is a virtual dinner party I wish I could have. I've invited all the people who inspire me.

I have invited **Celia Pakeman**, a baby I looked after years ago. She is now a grannie! I have invited **Jeffery Archer** to read us a story. I have invited **Monty Don** so he could tidy my garden up after lunch. I have invited **Clare from Age UK** because she made all this possible

by ringing me weekly – Thank you so much. I have invited **Mary Berry** to do the cooking, she would make all my favourite food. I have invited **Winston Churchill** because I would love to have met him. And then I would be there to lay the table.
