

This is our **final** Newsletter. We hope it has helped you all through the lockdown. **Thank you for reading and engaging with us!**

Hi everyone, my name is Liz Woolven. I've been in charge of bringing the Age UK Wiltshire Unites Newsletter to you each week. I'm a Living Well Project Worker here at Age UK, some of you may recognise me from visiting you at home and other's may recognise my name from our weekly reassurance calls throughout lockdown.

I've really enjoyed making this newsletter each week and working collaboratively with our Age UK Wiltshire staff and volunteers to come up with fun, interesting and engaging content to give you something to read, think about and enjoy during the isolating period we have been experiencing. A big thank you to all the staff and volunteers for their contributions towards the content of each Newsletter, with particular thanks to volunteers Debbie, Jasper, Lucy, Lesley and Margaret for ensuring the 450+ Newsletters were posted each week.

Thank you ever so much to all the readers who have engaged in our weekly questions to bring everyone together, and a special thank you to all our creative readers who have shared inspirational stories, poems, jokes, facts, riddles, games and puzzles! You have helped bring this newsletter to life – we couldn't have done it without you.

For now, the newsletter is coming to an end but we hope you will continue to engage with us and reach out to us whenever you require our support. We're always here to help.
